

Monster Craft

- *Smooch out the cupcake liner.
- *Glue it to the white circle. (It will be wrinkled – that’s OK – monsters are wrinkly.)
- *Glue on eyes, pompoms (ears or horns).
- *Cut yarn into pieces that you like and glue on as hair.
- *Glue on mouth piece and draw on teeth.
- *Add glue to top of stick and glue to back of white circle.

You now have a monster!
